B. FINANCIAL SOFTWARE UPDATE.

Karen H. reported that Luz is still inputting data (Groups and Cans) and completed January's financial. Karen spoke with our accountants and they will be coming in May to train the I.S.O. staff on all levels, to prepare them for the July 1st, 2017 target of implementing QuickBooks. Bill B. expressed his thoughts about the process and what needs to be done. He suggested bringing in a specialist to help with the transition. There was a discussion about how to expedite the process to make sure we will remain on pace for the target date of July 1st, 2017. Karen will ask Luz to continue inputting all the Groups and Cans. Steve F. offered to come in to the I.S.O and help with any part of the process.

C. E-READERS FOR COMBO BOOKS.

John C. made the report and stated that he is currently working with only Nook at the moment, as we are still awaiting our limited use credit card, to open up the account with Amazon/Kindle. He was able to convert the Yellow Combo Book to a PDF and it will be uploaded and available next month.

D. LIMITED USE CREDIT CARD.

Karen H. reported that all the information and forms were sent to Bank of America and we received an Approval Letter with a credit line of \$1,000.00. However, we did not receive the actual cards yet. We are still waiting on them to arrive, and once we receive, we can move forward with setting up the E-Reader on the Amazon/Kindle platform.

E. LIFE-LINE BULLETIN PAGE & MONTHLY/YEARLY COUNTER.

Bill B. made the report and told the Board of Regents that he spoke with David M. and discussed the feasibility of using a Google Counter. That could be a viable option. A discussion ensued about the reasons for having a counter, and what we would do with the information once we had it. Some of the reasons were for curiosity, others were to find out how many of our members are actually reading it, now that it is electronic. Steve F. asked if the B.O.R. had the authority to make that change or add that feature, without the approval of the B.O.T., and John C. stated that he would discuss that with Andy R., who is the Chairman of the B.O.T. It was also mentioned about the feasibility of sending out the Bulletin electronically to all Intergroups, so that it could be sent out with local information.

F. REPORT FROM THE FUTURE PLANNING COMMITTEE.

Bill B. made the report and stated that the committee met twice in March and reviewed all four paid employee's positions and focused primarily on their specific duties as it relates to QuickBooks. They also talked about how checks were going to be prepared, going from the old "peg-board" system to the new system, making sure they would be ready for the July 1st target date. Bill B. asked Karen approximately how many calls she receives per week from both G.A. members and those just seeking help, and others, and it was mentioned that approximately 100 calls are received each week, approximately 50% for help, 25% from G.A. members and 25% that are non-member inquiries.

Starting July 1, 2017, all of the various donations will be reported in the Bulletin for the previous month. As an example, all donations for the month of June will be reported in the next month's Bulletin.

Inventory control, elimination of handwritten and typewritten information will be replaced with QuickBooks.

The last note is that Steve F. will no longer be on the committee due to work obligations, but will remain in an advisory capacity to the committee.

3. NEW BUSINESS

A. GUIDANCE CODE ITEMS FOR CHERRY HILL AGENDA.

John C., Chairman, told the Board of Regents that in conjunction with By-Laws items that were voted on in February, there were also Guidance Code items that needed to be added to the Cherry Hill Agenda as well. Those items were put onto the agenda by Peter A. and will be discussed at the April B.O.R. meeting, when we review the entire Agenda for the Cherry Hill Trustee Meeting.

B. LETTER TO LIFE-LINE BULLETIN.

John C., Chairman, told the B.O.R. that he sent a letter regarding the financial status of Gamblers Anonymous to Karen H. for inclusion into the Life-Line Bulletin. The information was taken from the monthly financial reports that have been reviewed by the B.O.R. each month.

C. BRINGING IN AN OUTSIDE CONSULTANT.

There was a brief discussion about bringing in an outside consultant to help with the transition to QuickBooks, before the accountants come in May. There were no motions, but it was noted that the I.S.O. will do everything it can to insure we are on pace for the July 1st target date.

The collection in the amount of \$21.00 was taken and the meeting closed with the Serenity Prayer at 10:57 A.M. The next meeting of the Board of Regents will be held April 15, 2017 at 9:30 A.M.

Today's Board of Regents meeting had 4 people call in and listen.

Respectfully submitted by Steve F., Assistant Recording Secretary

STEP 4

Made a searching and fearless moral and financial inventory of ourselves.

I first tried to take my 4th Step Inventory when a member of my regular group bought me the Gamblers Anonymous book, "A Guide to Fourth Step Inventory". I remember locking myself in a room where I would not be interrupted and could concentrate on what was going to be my salvation and help me to save my marriage, my job, and my life. I was finally going to work the G.A. program seriously because I had fallen off the program by only attending meetings. When I first tried to "look into myself," it was hard. I didn't want to look at my faults through a magnifying glass. At first, I tried to write for one hour every evening. When that didn't work, I tried every other evening. And when that wasn't working, I tried once a week (on a night when there wasn't anything good on TV), but soon I forgot about it until I went to another meeting.

One night, a member told me about a 4th Step Workshop that was sponsored by another 12-Step program and open to all 12-Step group members. The 4 hour workshop was held at a hospital on a Saturday morning. Over 400 people attended and a show of hands was requested when they called the name of each program. I was the only one from G.A.

That workshop changed my thinking on my 4th step. Previously, I had only seen "the bad guy" and the guilt had overwhelmed me at every turn. But this time, through the way the 4th step was depicted at this workshop, I saw how I could work the step in another way: I looked first at my good side, and afterward dealt with my bad side. I nearly floated home that day. The workshop made me feel like I had truly started to work on my 4th step. I could clearly view my wrongs, without the previous obstructions, and see what needed to be changed.

I attended the workshop again and then started to moderate 4th Step for G.A. workshops. What a great feeling I get when I can see that powerful feeling in someone's eyes that he/she is doing something to make him/herself right. And, of course, it brings it all back for me.

Now after each workshop, I strongly recommend that those attending get the G.A. Guide of a 4th Step Inventory and follow it.

It is also suggested that everyone in G.A., regardless of the number of years in the program, should take the written moral inventory at least once each year. Participants should save their completed inventory and compare it to ensuing ones they may take. You should be as honest and thorough as possible, for if not, you are only “short changing” yourself.

“Search for and come to know the truth, for the truth shall set you free.”

GROUP NEWS

Greetings I.S.O.,

Enclosed please find a donation from our Annual Pasta Bowl held on Super Bowl Sunday in Staten Island. Our turnout for the meeting drew about 60 compulsive gamblers from Queens, Manhattan, Brooklyn, Staten Island and New Jersey. The message of the 12 Step Program and pasta seems to be a good match these days for the compulsive gambler.

Let’s keep sharing and caring.

Bob O. and members from Staten Island Groups, New York

Note From I.S.O.: Bob, I have been receiving your “Annual Pasta Bowl” letters and the generous donations since the first “Pasta Bowl” which was held 25 years ago on Super Bowl Sunday, January 26, 1992. This all started with the Staten Island Thursday Step Meeting and has now expanded to many more Groups from Staten Island. The following letter is from the April 2008 Life-Line Bulletin. I hope you and everyone else who reads it, enjoys it as much as I did, nine years later. “Let’s keep sharing and caring.”

Dear Karen:

Enclosed, please find a contribution from the Staten Island Pasta Bowl.

This year's annual meeting was our 16th consecutive PASTA BOWL which is held on Super Bowl Sunday. Members attend from the five boroughs of New York plus Long Island and New Jersey.

This meeting was dedicated to members who are no longer with us but are holding meetings in another place. Two of these members were Eddie E. and Mike A.

Eddie E. and his sister, a non-member, would start their day at 7 A.M. preparing a pasta dinner for our members. Mike A. would have the room set up and run around getting last minute items as needed. Several other members have filled in since the passing of Eddie and Mike (before their time) to ensure that the compulsive gambler has a place to go on one of the biggest days for gambling.

Our tradition is to have speakers share their experience, strength, and hope as they continue to grow in their recovery. After the 5th or 6th Step, we break to eat and enjoy conversation with our members.

When the last speaker finishes (12 Steps) four hours of recovery have been shared. Our attendance at this meeting has exceeded 90 compulsive gamblers gaining wisdom and knowledge from members who have been practicing the Steps of Recovery in G.A.

Continued recovery to all at I.S.O., Bob O., Staten Island, New York

Note From I.S.O.: Bob, once again, thank you for sharing your incredible day with everyone. If I am ever in New York during this time, I will definitely attend this Annual event.

Karen,

I've been re-miss in sending a check faithfully, but my intention is to return to that habit.

I moved to North Carolina about a year ago, but still consider myself part of the Louisville G.A. in Kentucky. My home group (Saturday A.M.) allows me to be on via phone each week and I've also made it back for several key events since moving.

I may try to get a meeting going here in the future, but am still adapting to change.

Thanks, Laurie B., Winterville, North Carolina

Dear Karen,

Enclosed is the monthly donation from the Toms River, New Jersey Tuesday meeting.

We are grateful to you and your entire staff for helping daily to improve the lives of those in recovery and for your help by reaching out to those who are still suffering. Please be aware that your effort does not go unnoticed.

Best wishes for continued success in all your endeavors both professionally and personally.

Sincerely, Vinny B., Toms River, New Jersey

Dear Karen,

I just wanted to say thank you for sending me a copy of the G.A. book. I really appreciate it. It was a pleasure meeting you at the G.A. Mini-Conference. I loved the Conference and learned so much.

I have 64 days without a bet and enclosed is a copy of my Goodbye letter to gambling.

Give my love to George and Bob. Hugs and kisses.

Love, Meredith, a grateful member of G.A.

My love affair with the one arm bandit

Dear Gambling,

We have been together for so long. You were there for me thru thick and thin. We did everything together. We had a love affair that was like no other. You took me to ecstasy and back. You always left me breathless with anticipation, always wanting more. We had a whirlwind romance, we traveled all over the world. You showed me how to play in style, walk the red carpets, hang out with the VIPs. I thought I was so cool, I got to be a big shot. You lured me into your world with bright lights, race tracks, gorgeous jockeys, vacations, cruises, pit bosses, sugar daddies and suites at Casinos. You made me believe the party was never going to end. You were so deceiving. You were so sexy, the way you made me feel especially after a jackpot. You always had me coming back for more. I was so addicted to you I could never get enough. I loved you unconditionally. You were always by my side. I thought our relationship would last forever and ever. You were supposed to be my happy ever after. You swept me off my feet at 16. We started off so sweet and innocent. You were so enticing. You showed me a world that I never knew existed.

We spent so many endless nights together. We always had so much fun staying out all night and not having a care in the world. You were there for me thru death of my stepdad, the wild single party days, my honeymoon, my anniversary, my birthdays, my pregnancy. You let me hide out when I was going thru my IRS Audit. You help me escape my responsibilities, neglect my family, destroy my marriage – that was actually a blessing in disguise. The husband blames you for his drinking, but we know better – he is just an alcoholic who is not done drinking.

You took my car, left me in debt, you left me penniless and I still wanted more. You turned me into the person I thought I would never become. You showed me how to hussle, lie, cheat, steal, go to the pawn shop with my stuff and my neighbor's stuff.

After losing all my money and hope, I had enough of you. I tried to give you up. I took 22 pills to forget about you and still woke up in the hospital 4 days later... what happened! I thought I had gotten rid of you. After a week of being home from the hospital, I couldn't wait to get back and see you... the hold you had over me was baffling and powerful, true insanity.

Oh what tangled webs we weave when at first we try to deceive. You taught me how to be so good at the game of deception.

Those days for me are over. You have been replaced. I met a new passion. It's called recovery. It's sexy, healthy and good for my soul. Me and my new love together ran a marathon. We crossed that finish line and that was the best feeling of success – 10 times better than any jackpot.

Today I am open, honest and willing. I have self worth, self esteem and my life back. I am worthy and I love myself. With drive and determination, I can do anything I set my mind to. I have my freedom of choice back and today I choose to kick you to the curb. It's time for you to go. You are not welcome in my life anymore.

Good Bye!!!

Meredith, A grateful member of G.A., Los Angeles, California

Note From I.S.O.: Meredith, thank you for sharing your "Goodbye" letter to gambling with all of us. It really is a reminder how insidious this disease can be. Please let us know if we can be of any help and keep up your great attitude, One Day At A Time.

Dear Karen,

Please accept this donation to I.S.O. in honor of our fellow traveler in recovery, John I.

John has been ill for some time and unable to attend his usual Saturday night meeting in Fair Oaks, California so some of his long time friends took the meeting to him on March 25th. This was a reunion meeting of sorts as his home was the site of several years of Saturday night meetings. His home was a safe place for many of us, we sat on the floor or couch with our shoes off, comfortable in the knowledge that we cared for one another and were together in our quest for recovery. At John's home his wife Lorraine (who is a marvelous cook) fed us gourmet dishes for the body while the meeting fed our souls.

John and Lorraine recently celebrated their 49th wedding anniversary, no doubt as a result of his 28 plus years in our G.A. program. In no small part John has shared with so many his knowledge of life, his love of history and his experiences that brought him to long term recovery.

We had a wonderful time sharing with both John and Lorraine what they have given to us and so many more in our Area 2B. We are all grateful for this loving couple and for each other. Although there were only 10 of us in the room we collectively had 189 years of clean time. John touched all of us through these years and we are so grateful to him. Please remember this wonderful man in your prayers tonight.

Sincerely, Joyce M., Loomis, California

Hi Karen,

I would like to report my 25th G.A. anniversary to you for publication in the Bulletin.

My 25th anniversary date was January 21, 2017. I realize it may not appear for several months (I am slow in writing), but I did want to write.

I am grateful, a day at a time, for the miracles of this program. And the miracle of life for me as a result of Gamblers Anonymous.

Thank you, as always, for your service.

John T., San Francisco, California

Note from I.S.O.: Congratulations, John, on 25 years of abstinence and recovery, a real milestone,

In Memory of...

Note From I.S.O.: The letter below from Irwin S., is a beautiful tribute in Andy D.s memory. I had to smile through a few tears, as I remembered what a kind, gentle and compassionate person Andy was. He will truly be missed by everyone whose path he crossed.

The second letter from Jack G. in memory of Paul M., who I did not have the pleasure to meet, also expresses a special message about the “thrill of finding peace in his later years of life”.

Our heartfelt condolences go out to the families and friends of Andy D. and Paul M.

All that knew him cherished “Dandy Andy!” Andy D. (Wanaque, New Jersey) who passed away in February, was kind, good natured, caring and loving. He was considerate, helpful, thoughtful, obliging, selfless and attentive. Andy was consistently compassionate, well meaning, nice and always friendly. Further enhancement of Andy’s qualities are described by excerpts of our February 12 “Day at a Time” reading.

“I am grateful for my friends. Right now I am aware of the blessings of meetings, of sharing, of smiling, of listening, and of being available when needed. Right now I know that if I want a friend, I must be a friend.”

Andy instilled unconditional love of Gamblers Anonymous and the magnificence of ongoing recovery he so cherished as guided by program, friendship, and fellowship.

During his twenty-one program years he joyously provided that of a friend in life by word and deed and is inscribed within us “our dear Dandy Andy”.

Irwin S., Ramsey, New Jersey

Dear I.S.O.,

Once again we in Western New York Area 16A Intergroup of Gamblers Anonymous are sadly and unfortunately making a donation in memory of another departed member.

Paul M. who had over 9 years of recovery was a generous man who always gave heartfelt and encouraging therapies. He will be missed at the many meetings that he called his home meeting. His thrill of finding peace in his later years of life often inspired new members to seek the same and as always, “Paul M. – thanks for sharing.”

Thank you.

Jack G., Buffalo, New York

Where would you be today without G.A.? Become a Lifeliner Today!

A Lifeliner is a member of the G.A. fellowship who cares enough about the financial well being of G.A. to make a monthly donation. This donation helps to insure that G.A. will always be there for the compulsive gambler who still suffers.

You will benefit by becoming a Lifeliner because...

- ... it offers you a way to give back to the program that has given you so much.
- ... it allows you to make a commitment to the program in a more direct way.
- ... it helps the International Service Office to spread the message to those who haven't yet been blessed as you have.
- ... it makes you one of a special group of people who do a little extra for the program that saved their lives.
- ... it gives you a sense of responsibility.
- ... it helps you remember that Gamblers Anonymous needs you as much as you need Gamblers Anonymous.

We are self supporting through our own contributions.

How often have you thought or heard: "Gamblers Anonymous saved my life. I can't do enough to repay the program for what it has done for me."

One of the ways you can give is by becoming a Lifeliner. Simply fill out the bottom of this flyer and send it to I.S.O. with your personal monthly tax deductible contribution and you will receive a receipt by return mail along with an envelope for your next month's contribution. It's that easy!!

Do it today – it's the right thing to do!
