STEP 7

Humbly asked God (of our understanding) to remove our shortcomings.

Now you're being asked to seek, to remove, via your Higher Power, your character defects. Is this really necessary? It certainly is! Character defects were a major portion of the reason one gambled. Therefore, keeping these defects can lead one back to gambling.

For example, let's take one defect – anger. Assume you get into an argument, handle it poorly and become blindly angry, anger turns into rage. Then you feel something must be done to relieve this terrible hateful feeling and resort to what comes naturally- gambling. In the past as you know that pain caused by anger was at least temporarily eased through gambling. Compulsive gambling is a learned, inadequate response to life. You must rid yourself of the disturbances that you have acquired through gambling.

What can be done to prevent such a relapse? First, you must have a desire to remove this defect. To realize the shortcoming can destroy you, desire comes more easily if you realize what is at stake. If you are masochistic, the desire to change may be slower in coming. Assuming you want to live, however, try to take the step as indicated and humbly ask your Higher Power to remove the defect.

Humbly ask for help? A nice guy who never hurt anyone except himself? When you've survived for so long, all by yourself, how can you humbly ask for help? Look at your track record with absolute honesty. Have you really been a winner? This honest look at your chaotic years should assure you that anger must go, if only a little at a time. You can only concentrate on one defect at a time. This is a slower process but it enables you to focus more clearly. Also, working defects singly is, for most, more comfortable.

Having selected a defect, seek help from your Higher Power. Each morning shortly after getting up, seek the will of your Higher Power daily as life's problems arise. Ask for help in reducing or removing the defect on which you will be working on that day. You must do the leg work so your Higher Power can finish the job as He sees fit.

At this point, learning to cope is a new adventure. This is something many refused or were unable to do before entering Gamblers Anonymous. It's strange at first, but each time you cope you get better at it. When you leave the world of reality and slip into irrational anger, you should now be able to recognize that something is wrong. You now have to get yourself back on the right track so you can go deal with today. Anger, the defect on which you were working still might be a problem. It will scare you when you react with so little control. Anger could lead you back to a bet via the hatred and resentment created. You're not entitled to be angry; it's an enemy, not a friend.

Each day, practice restraint until, God willing, you have formed a beautiful new habit, a positive habit. Today anger should be under control and cannot lead you back into your addiction. Feel good about that. The same procedure can then be applied to another defect. Now you can see how your Higher Power can remove defects, if your Higher Power chooses to do so.

GROUP NEWS

Dear Karen and I.S.O Staff,

Thank you each for all of your work.

Please find a money order enclosed to go towards my Lifeline donation.

I didn't have the time to chat with Karen during the Louisville Conference, but I had a very good time, good fellowship and great food!

Yours thankfully, in recovery, Esther J., Surrey, British Columbia

Note From I.S.O.: Esther, I'm sorry we didn't get to spend any time together in Louisville. Hopefully you will be in Montreal and we can "chat" then. Thank you for your continued support on behalf of Gamblers Anonymous International Service Office.

Dear G.A.,

Please accept the enclosed I.S.O. Can donation from the Sunday 6:00 PM group in Albuquerque, New Mexico.

We thank you *all* for your support to thousands in their recovery! Without you, we would not be where, and who we are today.

Sincerely, Ray B., Albuquerque, New Mexico

Dear Karen and I.S.O. Friends,

Greetings from G.A. in Westchester, New York. I hope all is well with you and the staff.

I am pleased to report that G.A. here is alive and growing. There is a meeting every day of the week including a Women's preferred only meeting, but all are welcome.

My home room has a steady core of 10 to 15 regulars who go out of their way to make all welcome.

On a personal note with the help of you and all other G.A. friends, I was able to celebrate 36 years clean in June. The room and I celebrated with egg rolls.

With much affection, Harry F., White Plains, New York

Note From I.S.O.: Harry, as always, it is really good hearing from you. Thank you for sharing how well your area is doing. Congratulations on another year of abstinence in our wonderful fellowship, One Day at a Time.

Dear G.A.I.S.O.,

Here is another donation as promised by our G.A. Group.

The Yukon Thursday night group is very grateful for all you do for us and we are pleased to be able to donate to the cause.

Thank you again for all you do.

Sincerely, Laurence L., Yukon, Oklahoma

HISTORY OF A SPECIAL 45 YEAR PIN

Al N. lived in Southern California and was the member with the most abstinence, from August 8, 1960, when he passed away on April 5, 2007 having 20,694 days or 49 1/2 years. He was 99 1/2 years old. Prior to his passing he presented his 45 year pin to Bill B., of New York City who has been abstinent since March 1, 1962.

In July of 2015, that pin was passed on to me from Bill B. for my 45th anniversary. I have cherished it and I remain awed with its history.

It is time to continue the tradition and present this 45 year pin to Dave S. from Long Beach, New York and Southern Florida in honor of his 45 years on July 11, 2019, which is 16,436 days.

Thank you Gamblers Anonymous for my abstinence and recovery.

I have been proud and grateful to be a temporary keeper of this historic pin.

With serenity, Bill B., Port Saint Lucie, Florida

Note From I.S.O.: Bill, thank you for sharing the "History of a Special 45 Year Pin". I had the distinct honor of knowing Al N. for many years and was even fortunate to be able to play golf with him on more than one occasion, when he was in his 90's. I also have had the pleasure of knowing both you, and Bill B., from the Bronx, for well over 30 years. This program is amazing! I'm sure everyone reading this joins me in congratulating Dave S. on his well deserved milestone of 45 years of recovery in Gamblers Anonymous.

In Memory Of...

Dear I.S.O.,

In my 21 years of recovery, each day is my miracle journey. During this journey I have had the opportunity to become a brother to many members who were called home by their Higher Power.

In May 2019, my G.A. sister, Barb M. died. She came to her first meeting broken and confused. But she did 90 meetings in 90 days. It worked! She never relapsed and achieved over 6 years of recovery. As her health declined, she came

to meetings with her oxygen, generator and beloved little dog, Lucky. And she stayed for the entire meeting. She always enjoyed getting a phone call when she couldn't make meetings.

Barb set an example of perseverance and commitment. Thank you, Barb for being my G.A. sister.

Enclosed is a donation in memory of Barb M. and another for my 21 year anniversary.

Alex H., La Conner, Washington

Karen,

The Wednesday night G.A. group from Aurora Psychiatric Hospital in Wauwatosa, Wisconsin is making the enclosed donation to G.A.I.S.O. in the name of Pat K. who died in May of cancer. He will be forever missed by our group.

Pat was a true ambassador for G.A., just a wonderful man. He would have celebrated 15 years in August.

For many he was a brother and to others a father.

Pete F., Milwaukee, Wisconsin

G.A.I.S.O.,

My name is Ara H., Trustee from Area 1 and Chairman of the IRC. I am dedicated to serving this program because it saved my marriage and my life.

I have some sad news to share from Area 1. Our past Trustee Lanny R. passed away on Sunday, June 30th. He had over 31 years and had served on the B.O.R. and B.O.T. along with being Chairman of the L.A. Intergroup. His date of abstinence was November 11, 1987.

I was blessed to know this enthusiastic member. He kept saying how much he loved G.A. and because of G.A. he was able to walk his daughter down the aisle. I went to many meetings with Lanny. We carpooled together until he could no longer drive and then I would pick him up and take him to the meetings. We shared a room a couple of times at Conferences.

I worked my 4th and 5th Step at a workshop for the first time that Lanny facilitated in 1998. I was so inspired that I worked those steps two more times in

different years with him. Later I assisted him with that workshop at other Conferences and when the time came, he turned over all of his workshop materials and I humbly was able to facilitate the same 4th and 5th Step workshop numerous times.

I learned so much from Lanny at Intergroup also. Recently I was asked by to co-facilitate the same workshop in the Inland Intergroup. What an honor to serve in his memory. He was definitely a mentor for me.

Please find a One-Time donation in his honor which is included with this letter.

He sorely will be missed.

Ara H., Burbank, California

Note From I.S.O.: I would like to thank Alex H., Pete F. and Ara H. for their heartwarming words expressing the passing's of Barb M., Pat K. and Lanny R. Our sincere condolences go out to each of their families and friends.

INDIVIDUAL LIFELINER DONATIONS RECEIVED IN THE MONTH OF JUNE 2019

Last month we had several members whose donation envelopes were postmarked in May but not received until June, therefore some members had two donations credited this month. Those members will have “x 2” listed after names.

In addition, several members (including myself) donations for June, didn't reach the I.S.O. until the first part of July. If you don't see your name in this issue and we receive two donations from you in July “x 2” will also be listed after your name.

*Thank you **all** for your continued support.*

Where would you be today without G.A.? Become a Lifeliner Today!

A Lifeliner is a member of the G.A. fellowship who cares enough about the financial well being of G.A. to make a monthly donation. This donation helps to insure that G.A. will always be there for the compulsive gambler who still suffers.

You will benefit by becoming a Lifeliner because...

- ... it offers you a way to give back to the program that has given you so much.
- ... it allows you to make a commitment to the program in a more direct way.
- ... it helps the International Service Office to spread the message to those who haven't yet been blessed as you have.
- ... it makes you one of a special group of people who do a little extra for the program that saved their lives.
- ... it gives you a sense of responsibility.
- ... it helps you remember that Gamblers Anonymous needs you as much as you need Gamblers Anonymous.

We are self supporting through our own contributions.

How often have you thought or heard: "Gamblers Anonymous saved my life. I can't do enough to repay the program for what it has done for me."

One of the ways you can give is by becoming a Lifeliner. Simply fill out the bottom of this flyer and send it to I.S.O. with your personal monthly tax deductible contribution and you will receive a receipt by return mail along with an envelope for your next month's contribution. It's that easy!!

Do it today – it's the right thing to do!
