### B. FINANCIAL SOFTWARE UPDATE.

Both Karen H. and Bill B. gave the report and stated that new checks with security features were in-hand at the office and ready to go with the QuickBooks platform. We purchased 500 checks for under \$200.00. The starting check numbers will correspond with our last checks and check numbers. Karen H. read the following letter/email from Bill B.:

“Today, Karen, Luz, Israel & Jason and I had a conference call regarding status of QuickBooks. Luz has productively been inputting the basic information for the various donation categories and will be ready on the July 1st date to transition from “pegboard” to QuickBooks. Also Luz is entering the monthly financials for January 2017 - on. In addition, Jason discussed the store inventory system and how we can liaison the store inventory into QuickBooks. The I.S.O will speak to Andrew (website liaison) to see what the store inventory format is (Excel?) and find a seamless process to keep track of inventories by SKU and have in monthly financials. All in all, we are on target for the transition. Very exciting! Thanks to all at I.S.O. for great teamwork.

### C. E-READERS FOR COMBO BOOKS.

John C. made the report and told the B.O.R. that he is waiting until after the Trustee Meeting in Cherry Hill to upload the finalized Yellow Combo Book to both Nook and Kindle. There are items on the Cherry Hill Agenda that affect the Combo Book, and if needed, new books will be printed towards the end of May with updates. Steve F. commented on the idea that there may be changes every six months, and that we should upload what we have now, instead of

continuing to wait. Peter A. thought it was a good idea to wait until after the B.O.T. meeting to upload to both Nook and Kindle. There was a brief discussion about when are changes made to the Combo Book, and how soon it would go to print. Karen H. said that the I.S.O. tries to exhaust all of the old books before printing new ones.

D. LIMITED USE CREDIT CARD.

Karen H. made the report and told the B.O.R. that she has received the credit cards and they are in a locked drawer at the I.S.O. Both cards still need to be activated. Bill B. asked a question about Kindle, and how they might charge our credit card, after we open up our account, almost like a “temporary” hold. John C. said he would check into that and report back next month.

E. LIFE-LINE BULLETIN PAGE & MONTHLY/YEARLY COUNTER.

John C. discussed this item and told the B.O.R. that the counter would not be a visible counter and that the B.O.R. does have the authority to implement that change, or put the counter on, if we decide to move forward. Steve F. asked about the cost to put the Google Counter on the website, and John C. said he would talk to David M. about what it would take to get that done. It was determined that David M. said he could take care of the work to install the counter, provided he had the passwords.

F. REPORT FROM THE FUTURE PLANNING COMMITTEE.

Bill B. made the report and stated that the committee met in April and plans to meet again. They looked at management duties along with the International Executive Secretary and other three positions, discussing areas of cross-training that could be done, so that each employee could fill in and substitute for each other, if needed. Another subject brought up was Starter Kits, and other options that might be available to us. Their concerns were background checks of who we are actually sending them out to. Karen H. told the committee and the B.O.R. that there is a Starter Kit Procedures guideline that the I.S.O. follows and that she would send that out to the entire B.O.R. Bill B. asked if there was anything that should be mentioned in Cherry Hill with regards to this committee and John C. said that he will provide an update to them during his report.

G. INVENTORY & YTD BUDGET.

Peter A. gave this report, which was actually discussed as the first item under Old Business. The Inventory at the end of March 2017 is \$12,558.81 below the level of inventory at fiscal yearend (June 2016). This reduction in inventory increased our operating cash flow. The actual operating cash flow for the nine months ending

March 31, 2017 was \$18,685.59. If you deduct the inventory impact (reduce this figure by the cash generated from lower inventory purchases above), the net cash generated from operations is \$6,126.78. This figure most closely reflects an operating income.

The operating cash for this year is positive. Last year, the operating cash through March was (\$40,176.67). The improvement, driven significantly by distributing the Bulletin electronically, is over \$58,000.00.

3. NEW BUSINESS

A. REVIEW TRUSTEE AGENDA FOR CHERRY HILL TRUSTEE MEETING.

John C., Chairman, reviewed all Agenda Items that pertained to the Board of Regents, I.S.O. or functions of the I.S.O, and asked what the Board of Regents consensus was on each particular item. As per the By-Laws, Article XVIII, Section 1, he will bring that information and convey their thoughts on said items, to the Trustee Meeting in Cherry Hill.

\*Leanne W. joined the meeting briefly during discussion of the Trustee Agenda, however, after this item was discussed, she had to leave the meeting.

B. APPROVE EXPENSES FOR B.O.R. CHAIR TO ATTEND B.O.T. MEETING IN CHERRY HILL, NEW JERSEY.

John C. requested that he be reimbursed up to \$1,000.00 for attending the B.O.T. meeting in Cherry Hill, New Jersey. There was a motion made to reimburse up to \$1,000.00 for the Board of Regents Chairman to attend the Trustees meeting in Cherry Hill.

Motion seconded and passed  
For – 8 Against – 0 Abstained – 0

The collection in the amount of \$19.00 was taken and the meeting closed with the Serenity Prayer at 11:43 A.M. The next meeting of the Board of Regents will be held May 20, 2017 at 9:30 A.M.

Today's Board of Regents meeting had 7 people call in and listen.

**Respectfully submitted by Steve F., Assistant Recording Secretary**

## STEP 5

### **Admitted to ourselves and to another human being the exact nature of our wrongs.**

It was late last year near Christmas time when I felt I was living with a certain loneliness and emptiness in my life. Sure, there were some friends in the Fellowship with whom I had become close to in the last couple of years since I returned to the Program. There were also friends outside the Fellowship — new, non-gambling friends who didn't know I was in the Program. And I was keeping somewhat in touch with my two teen-age daughters who have been living in Las Vegas with their mother the past eight years since my divorce. I was living in what I thought was freedom yet I felt only confusion and jumble within.

When I could no longer endure this sense of emptiness, I found courage to reach out to a person. This person had recently moved out to San Francisco from New Orleans, and this person and I had only met in the summer. But this person was there when I needed someone or something — though I really didn't know exactly what. This person was someone I trusted, someone who was compassionate and inspired comfort, not fear. This person listened to my story and my dark past, and accepted without judgement, my loneliness, selfishness, arrogance, resentments, guilt, shame and inner confusion. I suddenly seemed to sense a Higher Power greater than any one of us, and just as suddenly, I felt calmness around me.

My experience with this person — who has since become a special friend — who listened to my Fifth Step was a rewarding and transforming experience. It was a new state of consciousness, and it provided a revelation to me a Higher Power that seemed always so close and yet so far away. It surely was a turning point for me because it was the beginning of a way out of a sense of emptiness and inner chaos.

What I also learned from this experience is that acceptance comes from having told my story. I know that I can't change anything unless I acknowledge and accept it first. Self-acceptance depends upon being heard by someone other than myself, and perhaps even more importantly, hearing myself speak.

Throughout my life, I've found it extremely difficult to be honest with myself, let alone with someone else. Surely, I risked the possibility that my friend might not like me after all, and even worse, that I might dislike myself even more. The pain of having gone into the past seemed at times too overwhelming, given the guilt and remorse I have tried to bury. But it was important to be thorough. Perhaps the most important aspect of my experience was not that I achieved results, but that I was honest. And I know that I can expect to live happily in this world by becoming honest. The Fifth Step gave me a change to do so.

*Note From I.S.O.: As the May issue of the Bulletin is in its final stages, I noticed that the “Group News” section is very light on letters received during this past month. Therefore, I was looking through some old Life-Line Bulletins, to see what we could possibly reprint and came across the following letter from the October 1987 issue. The poem, Another Chance, was approved by the Board of Trustees six years later and is currently on the front inside cover of the Towards 90 Days booklet. There has been much speculation as to where this poem came from. The most common response has been, “It was found on a prison floor.” I thought some of you might be interested as to where we believe it actually came from.*

“Dear Irving,

In November, 1963, at the ripe old age of eighteen, I entered my first G.A. meeting.

If only I would have listened. Oh God! If only I would have listened. Everything they said, everything they tried to teach this kid that knew it all, came true. Everything those wonderful men tried to sink into my brain, that would happen to me and my life if I continued to gamble did happen. Oh God! Why didn't I listen?

Although I continued to go to meetings, and at times maintained my abstinence, I never changed my personality. This always led to my downfall.

Twenty years later at the ripe old age of thirty-eight, I woke up. I finally admitted that I was powerless over gambling, and my life was totally unmanageable.

I suffered those twenty years, and destroyed myself and everyone who loved me. I was nicknamed “The Shovel”. This meant I buried everyone who came in contact with me.

Irving, why didn't I listen to you and men like Al C. and the others? You were right, Irving! I lost businesses, fortunes of dollars, hurt everyone, two broken marriages and the love of my three children.

This March 10, 1988, I'll be celebrating five years of abstinence. I could never get those things back that I lost, but I finally can look ahead for a better life.

I tried everything to stop gambling, but nothing worked. Irving, you even got me into Dr. Custer's hospital in Ohio. Hypnosis, Psychiatry, and even light shock therapy didn't stop me. The only thing that works is Gamblers Anonymous. We help each other because we understand each other.

I'll never forget you Irving, because I know you tried with all your heart.

Oh God, thank you, for now I'm listening.

Ralph M., Rockville Centre G.A., Long Island, New York

Another Chance

By Ralph M.

Fellow gambler, take my hand;  
I'm your friend, I understand.  
I've known your guilt, your shame, remorse;  
I've borne the burden of your cross.

I found a friend who offered ease;  
He suffered too with this disease.  
Although he had no magic cure,  
He showed me how we could endure.

We talked together side by side;  
We spoke of things we had to hide.  
We told of sleepless nights and debts,  
Of broken homes and lies and threats.

And so my weary gambler friend,  
Please take this hand that I extend.  
Take one more chance on something new,  
Another gambler helping you."

## **GROUP NEWS**

Thank you for all you do, it is greatly appreciated.

All the best, Ron W., South Orange, New Jersey

Dear I.S.O. Staff,

We at Thursday Night Serenity really appreciate all that you do to keep the word of G.A. out there.

Our meeting has a very dedicated group that welcomes all who come through the door to get help to stop gambling. We wish there were more that would come and are quite surprised that there are not more.

We have a lot of casinos in our area and the parking lots all seem to be full, but we don't see the people coming into our rooms. That is why we are so grateful that you are there to help us keep the word out and help carry the message.

Regards, Paul N. and members of Thursday Night Serenity G.A., Surrey, British Columbia

Hi Karen,

It has been a long time since I submitted a letter for the I.S.O. bulletin. I would like to take a moment and talk about our Burbank, California group and how it has flourished through the years. A couple of us began the Monday night meeting back in November of 2002. We would usually get 3 or 4 members at the most, for many years. If we had seven show up we would all be very excited.

Once we moved to our new location the group has really flourished. We have started a Friday night group and a Tuesday morning group. On an average Monday night we get about twenty members show up. We have many members who are involved. Our three Area 1 Trustees call Burbank their home meeting. And as you know we just had our second Mini Conference in February at the same location where our meeting is held. As far as I have heard it was a great success. We had about 100 G.A. and Gam-Anon members in attendance. There

were great workshops and fellowship. I enjoyed your workshop on “Getting to know your .I.S.O.” ... that is what encouraged me to write this letter.

March was a busy month, first we had a great double birthday; Carlos F. celebrated 20 years with Sassoun N. celebrating 15 years. The following week Eric L. celebrated one year and it was a great celebration. A couple weeks later we had another double birthday, Colette A., 8 years and Miracle Dave, 3 years. Dave M. has been around the program for over 22 years and has never been able to put more than 90 days together. But he never gave up, returning with one day time and time again. After many years, he finally got the program and now just celebrated three years without a bet. He was able to visit his sister on the East Coast that he had not seen in two decades and also his nieces. He is truly a miracle and a shining example for people not to give up.

Soon we will be celebrating 15 years in Burbank. We might consider even having a potluck in November on our anniversary.

In recovery, Ara H., Burbank, California

*Note From I.S.O.: Ara, thank you for sharing about the Burbank meeting(s), the Mini-Conference and all of the celebrations. I was fortunate to have been able to attend the Mini-Conference which was full of great workshops, recovery, unity and some really good food, as well as the celebration for Carlos and Sassoun. Congratulations to Carlos, Sassoun, Colette, Dave and Eric on their respective accomplishments in Gamblers Anonymous.*

Hello.

This is Cheri H., Chairperson of the Coral Springs, Florida Wednesday night room.

Please find our enclosed donation for our portion to I.S.O. Our sincere apology for not sending regular monthly payments, but our room attendance has rapidly declined along with our monthly rent, it has been difficult. I am hopeful that this issue improves right away. At least our rent is paid in full until June 30<sup>th</sup> of this year.

I tell you this so you can understand why we have not sent in much money this term.

Thank you for your understanding.

Cheri H., Coral Springs, Florida

*Note From I.S.O.: Cheri, thank you for your letter. Please know that we appreciate any money that we receive and you never have to apologize. I have said many times, that groups need to take care of themselves first and cover their own expenses including rent, which it looks like you have done. Anything left over is much appreciated. Thanks to you and the Coral Springs group!*

Karen H.,

Please find enclosed our latest group donation from the Thursday Beginner's Group in Edmonton, Alberta, Canada. We would have like to send more but the exchange rate on our Canadian Dollar is brutal.

Our group is doing well with over 30 on our phone list and regular attendance in the range of 12 – 20 per week. We have a lot of newcomers drop by our

meeting so we purchase a lot of literature from I.S.O. with the assistance of our brother Richard in Calgary. Our group actively supports our local Intergroup.

While most of our group is relatively early in their recovery Cindie T. faithfully attends our meetings and in March she just celebrated her 20 year anniversary from her last bet. Warren S. also regularly attends our meetings and he will be celebrating his 10 year anniversary on June 14, 2017. They are both great examples for the rest of us.

Yours truly, Bruce M., Edmonton, Alberta

*Note From I.S.O.: Bruce, as always it is good to hear from you. I would like to congratulate Cindie T. on her 20 year Anniversary in March and Warren S. on his upcoming 10 Anniversary in June. I know both Cindie and Warren and these two members deserve our "thanks" for a job well done.*

### ***In Memory of...***

Hello Karen,

Enclosed is a contribution in memory of Mike S., a strong member of G.A. who passed away February 17, 2017. He had 18 years and 7 months of recovery in Gamblers Anonymous.

Mike also had accumulated a combined 88 years of recovery in two other programs. He was adamant that the tools of the program would work for anyone who accepted recovery.

I will miss his wisdom.

Thanks for all you do.

Terry D., Reno, Nevada

*Note From I.S.O.: Terry, thank you for letting us know about the passing of Mike S. Mike was a dedicated member of our fellowship, who will be missed. Our heartfelt condolences go out to his family and friends.*

# ***Where would you be today without G.A.? Become a Lifeliner Today!***

*A Lifeliner is a member of the G.A. fellowship who cares enough about the financial well being of G.A. to make a monthly donation. This donation helps to insure that G.A. will always be there for the compulsive gambler who still suffers.*

You will benefit by becoming a Lifeliner because...

- ... it offers you a way to give back to the program that has given you so much.
- ... it allows you to make a commitment to the program in a more direct way.
- ... it helps the International Service Office to spread the message to those who haven't yet been blessed as you have.
- ... it makes you one of a special group of people who do a little extra for the program that saved their lives.
- ... it gives you a sense of responsibility.
- ... it helps you remember that Gamblers Anonymous needs you as much as you need Gamblers Anonymous.

We are self supporting through our own contributions.

How often have you thought or heard: "Gamblers Anonymous saved my life. I can't do enough to repay the program for what it has done for me."

One of the ways you can give is by becoming a Lifeliner. Simply fill out the bottom of this flyer and send it to I.S.O. with your personal monthly tax deductible contribution and you will receive a receipt by return mail along with an envelope for your next month's contribution. It's that easy!!

***Do it today – it's the right thing to do!***
