**UNITY PROGRAM**

Did you know that the I.S.O. sells a booklet on how to study the Unity Steps? We do! It’s called “Gamblers Anonymous Group Study Book on the Unity Steps.” Each month of 2024, I’ll discuss the Unity Program and the corresponding step with each month.

When I first came to Gamblers Anonymous in July of 2001, at the Unity Club in Las Vegas, my brain was focused on one thing – to stop gambling. It's all I cared about for the first few months I was attending meetings. I had no idea what the Unity Program was or why it existed.

As my mind cleared up and I started to understand my surroundings, the Unity Program became less and less confusing for me. I'd like to think it's the same way for all of us, however, I can only speak of my experience.

It taught me that while I needed to focus on MY recovery, I also needed to respect the group as a whole and be one with them as we move forward on this journey of self-discovery and recovery.

I knew that whether I relapsed or not, the Group would still be there when I came back. So, when I'd see a person had relapsed, I'd welcome them back to the Group and continue forward.

***Step 4 – Each Group should be self-governing except in matters affecting other groups or Gamblers Anonymous as a whole.***

Each Gamblers Anonymous group has great latitude to conduct its affairs within the framework of the Fellowship. This preserves the freedom of choice that is so important to the group conscience. The conduct of each group is limited only to the extent that its actions would conflict with the Guidance Code of Gamblers Anonymous.

What type of meeting, how long the meeting lasts, break or no break, etc. affects no one but those at that meeting. However, breaking of anonymity is something that affects others and is not a group choice.

- a. Define/discuss the following words or phrases: self-governing, “each group should be self-governing except in matters affecting other groups or Gamblers Anonymous as a whole.”
- b. How do I respect the self-governing of my group, even if it isn't what I like or want?
- c. Discuss: how is using non-approved Gamblers Anonymous literature at a meeting harmful to Gamblers Anonymous as a whole?
- d. What role(s) do Unity Step 4 play in service work in my group or in Gamblers Anonymous as a whole?
- e. How does reading the Combo Book, “A Day at a Time” or other literature at every meeting support Gamblers Anonymous?

- f. As a member of Gamblers Anonymous, what actions might I take if I believe that the Unity Steps are not being followed?
  - g. Now that I am secretary, I'm making changes to this meeting. Elaborate on the relation to Unity Step 4.
  - h. Discuss – why is it important to have a group?
  - i. What are the guidelines that each group must follow to be called a Gamblers Anonymous meeting?
  - j. How do you go about starting a new meeting? Who governs the format of the meeting?
  - k. There are several principles that may apply to this step. Elaborate on how each of the following applies to Unity Step 4: independence, responsibility, autonomy, anonymity, unity.
- 

**From the desk of your International Executive Secretary.**

As we complete the April bulletin, I would like to thank all the members, groups, intergroups, and RSOs who consistently contribute to your International Service Office to enable us to keep the doors open and help the compulsive gambler who still suffers. We could not do this without you. If you aren't already, please consider signing up as a LifeLiner and contribute monthly so that the I.S.O. can continue its amazing work of getting literature out and helping people find meetings all over the world.

There was a printing error last month that ended up putting the wrong Operating Statement into the bulletin. This month, you'll notice that both February and March Operating Statements are here for viewing.

If your area is having a mini conference of any kind, you can send the flier or the information to the ISO or myself and we'll get it into the bulletin into the Announcements section.

It's election time for our Trustees! Just as we did last year, here's what you need to know. Earlier this year, the Board of Trustees Chair sent out an email with the allocations of trustees for each of our areas. Once each area sends me the names of our Trustees for the next two years, I will update our listing and get it out to each Trustee at the beginning of July when the new term begins. Please give the names and information to me as soon as you can. The new AND returning trustees need to register on the trustee website to submit the information.

With that said, for those who would like to look up the Guidance Code for this, you'll find it under Gamblers Anonymous Guidance Code, Article XVIII – Election of Trustees. Also listed here are the responsibilities of a member of the Board of Trustees.

Thank you for being on this journey of recovery and self-discovery with me. I could not do it without all of you.

Yours in recovery and gratitude, KC B.

## **GROUP NEWS**

*Note From I.S.O.: Thank you to all our members who send in letters, donations, and kind words each month. Please keep writing and sharing your experience, strength, and hope with everyone.*

Dear Brothers & Sisters,

March 15, 2024, reflects sadness for all of us as Harvey G., previously of Lyons, NJ, and Boca Raton, FL passed away. He was one of the most wonderful, kindest, caring, and charitable people that I have ever known – both inside and outside the program.

Harvey's courageous fight with Parkinson's was monumental as he never gave up. His honesty, humility, and his service were evident. Harvey's avid use of the telephone daily, always calling the new members was so giving. He sometimes made 15 – 20 calls a day. What a positive example to follow.

Thankfully, his suffering is over, may he rest in peace and his memory be etched in the stone of recovery for all to remember. May his wife Norma have sweet memories.

Sincerely, Bill B., Delray Beach, Florida
