**From the desk of your International Executive Secretary.**

As spring blooms, we here at the I.S.O. would like to thank all of the members, Groups, Intergroups, and R.S.O.s who sent in donations to assist us with carrying the message of hope to compulsive gamblers who still suffer.

As more and more in-person meetings start re-opening or have already re-opened, please be sure to send your meeting information to [isomain@gambler-sanonymous.org](mailto:isomain@gambler-sanonymous.org) so we can get it into the meeting directory and get that as accurate as we can.

It's election time for our Trustees! Earlier this year, the Board of Trustees Chair sent out an email with the allocations of trustees for each of our areas. Once each area sends me the names of our Trustees for the next two years, I will update our listing and get it out to each Trustee at the beginning of July when the new term begins.

With that said, for those who would like to look up the Guidance Code for this, you'll find it under Gamblers Anonymous Guidance Code, Article XVIII – Election of Trustees. Also listed here are the responsibilities of a member of the Board of Trustees.

Thank you for being on this journey of recovery and self-discovery. I could not do it without all of you.

In love, recovery, and gratitude, KC B.

## **UNITY PROGRAM**

Did you know that the I.S.O. sells a booklet on how to study the Unity Steps? We do! It’s called “Gamblers Anonymous Group Study Book on the Unity Steps.” Each month of 2022, I’ll be listing the Unity Program corresponding step with each month. I’ll be taking information from both this booklet and our red

book, *A New Beginning*. Both of these are available on the Gamblers Anonymous website or order form.

As I entered my first meeting on July 30, 2001, at the Unity Club in Las Vegas, my brain was focused on one thing – to stop gambling. It’s all I cared about for the first few months I was attending meetings. I had no idea what the Unity Program was or why it existed.

As my mind cleared up and I started to understand my surroundings, the Unity Program became less and less confusing for me. I’d like to think it’s the same way for all of us, however, I can only speak of my experience.

It taught me that while I needed to focus on **MY** recovery, I also needed to respect the group as a whole and be one with them as we move forward on this journey of self-discovery and recovery.

***Step 4 – Each Group should be self-governing except in matters affecting other groups or Gamblers Anonymous as a whole.***

Each Gamblers Anonymous group has great latitude to conduct its affairs within the framework of the Fellowship. This preserves the freedom of choice that is so important to the group conscience. The conduct of each group is limited only to the extent that its actions would conflict with the Guidance Code of Gamblers Anonymous.

What type of meeting, how long the meeting lasts, break or no break, etc. affects no one but those at that meeting. However, breaking of anonymity is something that affects others and is not a group choice.

- a. Define/discuss the following words or phrases: self-governing, “each group should be self-governing except in matters affecting other groups or Gamblers Anonymous as a whole.”
- b. How do I respect the self-governing of my group, even if it isn’t what I like or want?
- c. Discuss: how is using non-approved Gamblers Anonymous literature at a meeting harmful to Gamblers Anonymous as a whole?
- d. What role(s) do Unity Step 4 play in service work in my group or in Gamblers Anonymous as a whole?
- e. How does reading the Combo Book, “A Day at a Time” or other literature at every meeting support Gamblers Anonymous?
- f. As a member of Gamblers Anonymous, what actions might I take if I believe that the Unity Steps are not being followed?

- g. Now that I am secretary, I'm making changes to this meeting. Elaborate on the relation to Unity Step 4.
- h. Discuss – why is it important to have a group?
- i. What are the guidelines that each group must follow to be called a Gamblers Anonymous meeting?
- j. How do you go about starting a new meeting? Who governs the format of the meeting?
- k. There are several principles that may apply to this step. Elaborate on how each of the following applies to Unity Step 4: independence, responsibility, autonomy, anonymity, unity.

---

Dear I.S.O.,

Thank you for reminding me of my Lifeline subscription re-up. Enclosed in my donation. We have been slowly filling up the rooms for our in-person meetings, but alas, there are brothers and sisters that I believe won't be back to in-person meetings. My conversations with them always include the fact that our doors will remain open.

We seem to be attracting a younger compulsive gambler lately and we find that their casino of choice is their smartphone. This has made me more aware of being educated in the ways of online gambling.

Yours in recovery, Neal G., Plantation, Florida

Dear I.S.O.,

Please find a donation from one of our groups enclosed. We hope you have a wonderful 24!

Cheers, Sal, Southern Alberta Intergroup, Canada

Dear Brothers and Sisters,

As I celebrate my 80<sup>th</sup> birthday, I realize how blessed I am to make it this far with reasonably good health. Health is wealth. Over the last few years, I've made my annual contribution for a scholarship a subscription to the bulletin and have

it mailed to an incarcerated gambler. The I.S.O. sends monthly bulletins to any prisoner that requests one.

For me, it's a reminder of my first prison G.A. meeting I attended in 1971 at the Greenhaven facility. The clanging of six gates and doors upon entry was chilling and a reminder of what could have happened to me if I did not stop gambling.

There were three inmates at that meeting on that cold Sunday morning. One of their shares has remained with me. A man felt he had been cheated in a card game, so he went home, got his gun, and returned to the game and killed the person he had accused of stealing. He was in prison for a long stretch of time, and it was scary to hear that share, but important for my surrender. As I sometimes share in meetings, "Gambling is death. Gamblers Anonymous is life."

With serenity, Bill B., Delray Beach, Florida

# *Where would you be today without G.A.? Become a Lifeliner Today!*

*A Lifeliner is a member of the G.A. fellowship who cares enough about the financial well being of G.A. to make a monthly donation. This donation helps to insure that G.A. will always be there for the compulsive gambler who still suffers.*

You will benefit by becoming a Lifeliner because...

- ... it offers you a way to give back to the program that has given you so much.
- ... it allows you to make a commitment to the program in a more direct way.
- ... it helps the International Service Office to spread the message to those who haven't yet been blessed as you have.
- ... it makes you one of a special group of people who do a little extra for the program that saved their lives.
- ... it gives you a sense of responsibility.
- ... it helps you remember that Gamblers Anonymous needs you as much as you need Gamblers Anonymous.

We are self supporting through our own contributions.

How often have you thought or heard: "Gamblers Anonymous saved my life. I can't do enough to repay the program for what it has done for me."

One of the ways you can give is by becoming a Lifeliner. Simply fill out the bottom of this flyer and send it to I.S.O. with your personal monthly tax deductible contribution and you will receive a receipt by return mail along with an envelope for your next month's contribution. It's that easy!!
